INDIAN INSTITUTE OF CORPORATE AFFAIRS

The Indian Institute of Corporate Affairs (IICA) is an autonomous institute under the aegis of the Ministry of Corporate Affairs, Government of India. It conducts induction and training for the central civil servants of the Indian Corporate Law Service Cadre. Being a unique world class institution and a holistic think tank, IICA functions as a premier service delivery institute in the domain of Corporate Affairs by providing policy advocacy, research, and capacity building support to the government, corporate sector, professionals, and related stakeholders to drive corporate growth, reforms, and regulations, through synergized knowledge management, global partnerships, and real time solutions.

SCHOOL OF BUSINESS ENVIRONMENT

School of Business Environment (SoBE), IICA is dedicated towards research, capacity building and policy advocacy in the areas of Environmental, Social and Governance (ESG), Corporate Social Responsibility (CSR) and Business and Human Rights (BHR). The SoBE intends to create knowledge through applied and conceptual research, relevant to policy makers, business ecosystem and society along with its underlying disciplines, and to disseminate such knowledge through publications and capacity building programmes.

ABOUT THE PROGRAMME

IICA is offering a nine - month online learning and certification programme titled IICA Certified CSR Professional. The programme is uniquely designed to enable the learner to successfully conceptualize and establish a comprehensive CSR ecosystem for all kinds of businesses. The programme is also aimed at aiding responsible businesses keep abreast of the latest advancements in the field of CSR, and build the professional expertise required to achieve the objectives of CSR regulations in India. Notably, the Programme offers a unique blend of theoretical and experiential learning with a holistic approach to CSR, with the scope of its pedagogy covering the foundational basis of CSR to ultimately addressing contemporary advancements and industry best practices in the field of CSR.
